Did you know,

- that a pencil can stop a spaceship?,
- that your mobile phone can save you Internet fees?,
- that you don't need an instrument to play guitar?,
- and that multimedia games help you lose weight?

If you are interested in getting innovative answers to these questions, we would like to invite you to an adventurous journey during the night of the

EUROPRIX Top Talent Award Gala
March, 04 2006, 19:30
at the Museum of Military History
(Arsenal, Object 1, 1030 Vienna)

Out of 411 submissions from 33 countries, 22 highly exceptional projects from all over Europe are nominated for the EUROPRIX Top Talent Award and will be presented to you that evening.
